

Scope of the Conference:

This international conference is organized for the 5th time with great success and it is a very important venue of exchange of experiences, transfer of new knowledge and information. The Conference aims at bringing together all the key stakeholders interested in renewable energy sources, energy efficiency and conventional fuels: industrial experts, academic researchers, policy makers, regulators etc. The thematic areas of the Conference cover all topics of renewables, energy efficiency in all sectors as well as oil and gas technologies.

Who should attend?

- Decision makers, including managers and policy makers, interested in exchanging idea, experiences and learning about new initiatives.
- Representatives of international organizations or other organisations willing to share relevant experience on renewable energy exploitation, energy efficiency techniques and developments of conventional technologies.
- Private companies interested in investing on renewable energy and energy efficiency equipment.
- Individuals who wish to be informed on new developments, tools and techniques.
- Members of the research and academic communities aiming at exchanging results, sharing similar experiences or new applications.
- Regulators, utilities and operators enriching the conference with their views on the changing needs of systems in delivering the quality of supply that everybody expects.

Parallel Workshops:

Industry workshops will be organised and be available on request, depending on satisfactory number of applications received.

Invited Presentations:

The Organising Committee will select and invite experts to give state-of-the-art presentations and head special sessions on selected topics.

For the attention of the authors

Submitted papers:

- The Organising Committee invites authors to submit papers for supplementary presentations in the areas listed.
- The selection of the papers will be based on a review process concerning the originality of the

contribution and clarity of presentation.

- Prospective Authors are invited to submit a one page Abstract of the proposed paper.
- Abstracts should be single spaced in 12 point Times New Roman font and should fit entirely within 150 mm x 250 mm space on a single page. Electronic submission in MS Word as an e-mail attachment is the required mode of submission.
- It is recommended that a brief professional biography or curriculum vitae (a maximum of half a page in length) be included with the abstract as a separate document.
- The paper should be of minimal commercial content.

Submission of an abstract or full paper implies a commitment to present the paper if accepted.

Format of the Submitted Papers:

- Full Papers will be submitted in electronic form. MS Word as an e-mail attachment in accordance with the Conference requirements and within the deadlines indicated below.
- The papers will be written in English. Submitted papers must use a page setup for A4 (210x197 mm) paper size, white background, with 25 mm margin on all four sites.
- They should be typed in single space using Times New Roman 12 font.
- A typical manuscript is limited to 10 pages, including Abstract, Figures, Tables, illustrations, photographs, graphs and references.
- Detailed instructions on the layout of papers are available upon request.
- Full details for corresponding with the author(s) (including e-mail and telefax) should be provided.

Conference presentations:

- The presentation of all the selected papers will be 15 minutes duration. Each session will be followed by a 10 minute discussion.
- Conference proceedings: All accepted papers and the papers of the invited speakers will be available to the registered participants in the Conference webpage www.mse.com.cy/energy
- Official language: The official language of the conference is English.

Important Dates:

- | | |
|-----------------------|--|
| • September 15, 2015: | Deadline for abstract submissions (one-page abstract). |
| • October 30, 2015: | Notification of acceptance. |
| • January 31, 2016: | Deadline for the submission of the full paper. |
| • March 11, 2016: | Deadline for parallel workshop requests. |
| • March 31, 2016: | Notification of acceptance of the full paper. |
| • May 5-6, 2016: | Conference dates. |
